

Education Specialist (EdS) – The Accomplished Teacher

The Education Specialist (EdS) – The Accomplished Teacher programs at Mercer University are designed to prepare students for an advanced certificate in the state of Georgia and are approved by the Georgia Professional Standards Commission (GaPSC), 200 Piedmont Avenue SE, Suite 1716, West Tower, Atlanta, GA 30334-9032. Successful completion of one of Mercer’s EdS – The Accomplished Teacher programs leads to eligibility for a Level 6 certificate by the Georgia Professional Standards Commission.

The table below displays where the EdS – The Accomplished Teacher programs meet, do not meet, or Mercer has been unable to determine if they meet the educational requirements for advanced certification. Each state or territory board, agency, or department has the ultimate authority and discretion to determine whether professional licensure or certification will be issued. Please review the table below closely to determine if the programs meet the educational requirements in the state in which you reside or intend to seek licensure.
